Documentation Checklist – request for support for Consent to Assess application

Application form

Quality Management System (QMS)

Applicant's most recent QMS should accompany this application. You may send this electronically with your application.

Evidence to support documentation

Where possible, the applicant should include actual evidence to support the application in accordance with the CMR, e.g. letters of support from industry, evidence of assessor qualifications (CV, ROA etc).

Support letter from Governing/Industry Body or Association if relevant.

Statement of Management Commitment

We, the undersigned, confirm that this application is an accurate account of the current status of operations of the organisation and that the relevant governing/industry body or association supports the application.

We confirm that the relevant governing/industry body or association has studied and been advised on legislation of particular relevance to the scope of the Consent to Assess applied for and that to the best of our knowledge the establishment's activities comply with any relevant legislative requirements.
