

Let's
Grow!

Job description

Landscaping

INDUSTRY OVERVIEW:

All over New Zealand we have impressive private and public spaces that need imagining, planning, creating and maintaining. Landscaping is a hands-on way to design and create beautiful surroundings in public spaces or private backyards.

JOB OVERVIEW:

If you like being outdoors, are creative, physically fit and enjoy the satisfaction of a hard day's work, you couldn't find a more fulfilling career. Applicants without experience would start as a landscape labourer, working in a team assisting in construction projects and maintenance.

A Landscaping role is an excellent opportunity to be employed in an industry that is creative and rewarding, working and training with an existing team of skilled people that will give you lots of development opportunities to grow into.

SKILLS & EXPERIENCE:

- Enjoy physical labour and the satisfaction of a hard day's work.
- Be able to read a plan, follow instructions and focus on a task.
- Skills with tools and machinery an advantage.
- Passion for working outdoors and creating outdoor living spaces.
- Be customer focused.
- Eager to learn and train while you work.
- Able to work independently or as part of a team.
- Able / eligible to work in NZ.
