

## **Arborist/Horticulturist**

Looking for an experienced Arborist to work full time (40hrs per week) in the Kaipara District - Dargaville. Person must be qualified in their field, have in-depth knowledge of their trade and be able to work independently and as part of a team. Person must be passionate about working outdoors in nature taking into consideration all weather conditions.

What you will need:

- Knowledge and ability to carry out weeding, roadside spraying and pruning.
- Ability to fell trees. Carry out limbing as well as bucking the downed tree to appropriate lengths.
- Prune, plant and move trees.
- Person will be able to work on commercial, public or private properties.
- Grind and mulch all types of wood.
- Assess trees for potential risks, identify and remove hazards created by trees e.g. clear trees and vegetation from around powerlines.
- Operate a variety of elevated work platforms, chippers, chainsaws and bin trucks. Person must be comfortable with heights.
- Basic knowledge on how to treat different pests and diseases
- Basic knowledge of tree species identification.
- Safe work practices, in-depth knowledge of health and safety – this is imperative due to the work we do.
- Physically fit and able to carry out physically demanding jobs.

Pay per hour \$30 - \$35
